

Saving for college?

**Only one
long distance
company makes
your calls count.**

**Let AT&T help your
Upromise savings grow.**

AT&T will contribute 4% of your long distance bill to your Upromise account every month.

AT&T customers, register your phone number at upromise.com.

If you're an AT&T Long Distance customer, here's an easy way to grow your college savings faster. Just register your AT&T billing telephone number with Upromise. AT&T will contribute 4% of your qualifying AT&T services into your Upromise account each month, as long as you're enrolled in the AT&T-Upromise Program.* There are no extra charges or changes to your long distance rates. So don't miss the college savings your child is entitled to — register online today.

Don't have AT&T Long Distance? Switch now and get a \$25 bonus contribution.

Here's a smart way to make your college savings grow faster. Go to upromise.com and switch to AT&T Long Distance Service. We'll welcome you to AT&T with a \$25 bonus contribution. Then we'll contribute 4% of your qualifying AT&T spending into your Upromise account each month, as long as you're enrolled in the AT&T-Upromise Program.* There are no extra charges or changes to your long distance rates. So why wait? Sign up today.

*AT&T Digital Phone Service customers are not eligible. Other terms and conditions apply.
